GETTING STARTED

Five easy steps and you are ready to go.

1

Sign in with your cell number

Use the number you gave the estate office.

2

Enter your code

We send a 6-digit code by SMS from GateCtrlX.
It works for 5 minutes.

3

Agree to the privacy notice

You only do this once.

4

Choose a 4-digit PIN

The app locks itself to keep your gate safe.
You can also turn on fingerprint or Face ID.

5

Allow notifications

So you know when someone is at the gate.

WHAT YOU CAN DO

Invite visitors • Answer the guard • Add your family
Read estate notices • Message the estate office
